Ever thought of taking your love for FILMS to the next level, in a constructive and EXOTIC atmosphere?

Join professional actors, filmmakers, producers, editors and academics for a seven-day crash course in filmmaking.

- In seven days you will create a script, shoot footage, and edit it together - all under the close guidance of filmmaking professionals.

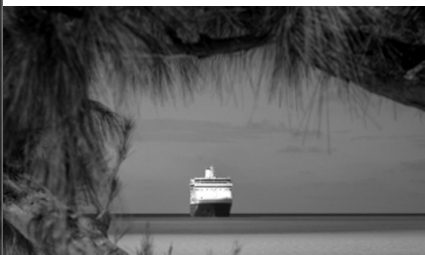

- At the end of the seven days, you will screen your short film and a winner will be selected for 'Fan Favorite Film,' and 'the Critic's Choice Award.'

**Winning Grand Prize:** A walk-on role on the upcoming Vampire movie, "*Girls Gone Vamp.*"

- All of this will happen on a cruise ship, traveling through the Caribbean for seven days, leaving from New Orleans on March 21, 2010.

You'll have the opportunity to shoot your film footage at exotic locations such as Costa Maya, Belize City, Santo Tomas De Castilla, and Cozumel.

- Classroom instruction will happen at sea in the Caribbean by professionals in the industry - as well as academics with experience on the set of your favorite Vampire film, *Twilight*.
